Here is all that I have. Frankly, I was mostly out of the loop on this one as Valerie handled most of the vendor discussions.

Gwen,

Since you had done most of the groundwork on this Agreement, I am forwarding to you to finalize and to answer the Law Dept's questions for I do not seem to have them in my files.

Thanks,

-L

Jessica,

Would you please take one more look at this and make sure it is acceptable to the law dept? Once I hear back from you, I will send to Mark Likness.

Thanks,

-L
